1. On 10 February 1951 the second mobile construction shop of the Cottbus railroad headquarters was still employed on the Forst (O 52/A 77)-Taubendorf (O 52/A 78) railroad line. The line is scheduled to be opened by late February 1951.
2. The Taubendorf-Criesen (O 52/A 78) and Forst-Briesnigk (O 52/A 77) line sections of the Cuben-Forst railroad line were opened on 1 March 1951. The Cuben-Taubendorf line section was already in operation. The Criesen-Briesnigk line section from km marker 16.33 to 22.71 has not yet been completed because of a shortage of rails and ties. The entire line is not to be opened before May 1951.
